

49. BACKGAMMON FINNISH OPEN

SATURDAY – SUNDAY 4.-5.5.2024 - HOTEL MESTARI, HELSINKI
+DOUBLES CONSULTATION FRIDAY 3.5.

INTRODUCTION

- Backgammon Finnish Open is back! It's the 49th edition in the series and we are excited to organize the tournament in a new and classy 4-star venue: hotel Mestari, meaning “master”, fitting name!
- The house of master builders was built in 1932 and has a rich cultural history. Hotel Mestari is the newest link in the chain since 2021. The hotel is located right in the heart of Helsinki few steps away from the buzz of the capital. It has excellent reviews for its location and overall quality.
- After warming up with doubles consultation on Friday, players may participate in Business or Economy class where the format is Munkebjerg cup: double elimination until 8 players left, thereafter single elimination. Those new to the scene can test their skills in Learn to fly!
- On Sunday last chance- tournaments in Business, Economy and Learn to fly for everyone who didn't cash in the main tournament.
- Satellites to Business and Economy on Friday, speedgammon, dmp-tournament and four player jackpots on offer too.
- For the last couple of years we have averaged 40 players in the tournament. Competing with the top Finnish players we have had some very fine players, mostly from other Nordic countries.
- Welcome to Finland to roll some dice!
